Job Description:

As a Principal Investigator, you will drive the research on developing practical guidelines for medical practitioners and administrators on the safe deployment of AI tools within a tertiary care setting in India in close collaboration with CeRAI.

We expect the Principal Investigator to spend about 30% of their work hours on this project. The project will generate guidelines that support healthcare providers' decision-making as they consider critical questions about the safety and reliability of AI tools in medical settings. You will lead a team of interdisciplinary researchers, managers, and fellows for the duration of the project, i.e. one year.

Responsibilities:

- Define and refine the overall research plan, ensuring alignment with project objectives and timelines.
- Provide intellectual leadership in developing conceptual frameworks and methodologies for the project.
- Supervise the design of key research instruments, offering strategic input to ensure relevance and rigour.
- Guide and oversee empirical case studies, ensuring adherence to ethical standards and the inclusion of gender-based analysis.

- Lead the co-creation of the practitioner toolkit, providing strategic direction on its structure, content, and usability.
- Participate in key workshops to validate the toolkit, offering expert insights and ensuring stakeholder engagement.
- Serve as the primary point of contact for high-level stakeholder interactions, including discussions with medical practitioners, administrators, and AI developers.
- Represent the project in external forums, showcasing its progress and significance.

Skills:

- Excellent skills in synthesising diverse data points into coherent insights, frameworks, and actionable recommendations.
- Familiarity with ethical considerations, gender-based analysis, and socio-technical impacts of technology in healthcare
- Experience in translating complex research findings into practical guidelines, frameworks, or tools.
- Experience in disseminating research through public platforms to maximise impact and visibility.

The last date for submission of online application is 10.02.2025.

General Instructions to the candidates

- 1) All the positions are on purely contract basis.
- 2) The completion of the period of contract will not confer any right for further extension, regularization, permanency at the Institute.
- 3) Candidates should apply online only in the website <https://careers.icsr.in/about.php> - **(Please check the advertisement number Advt. 19/2025 displayed and submit the application for the relevant position).**
- 4) Separate application has to be filled for each post.
- 5) The system will accept single application only with the registered login ID (email) for an advertisement, hence the candidate is requested to select the multiple positions (In case, the candidate wishes to apply for more than one position) before the submission of application.
- 6) The application cannot be edited, reverted once it is submitted.
- 7) Candidates should not attempt to apply twice for the same post. If multiple applications are received from a candidate for the same post, the candidature will liable to be rejected.
