Job description:

As a Research Manager, you will manage the project on developing practical guidelines for medical practitioners and administrators on the safe deployment of AI tools within a tertiary care setting in India in close collaboration with CeRAI and the designated Principal Investigators. We expect the Research Manager to spend about 60-70% of their work hours on this project. The project will develop guidelines that support healthcare providers' decision-making as they consider critical questions about the safety and reliability of AI tools in medical settings. You will manage a team of interdisciplinary researchers, managers, and fellows for the duration of the project, i.e. one year.

Responsibilities:

- Develop and finalise the research plan, including scope, conceptual frameworks, research questions, and methodologies, in collaboration with CeRAI and the Principal Investigator.
- Design research instruments, such as survey tools and interview questionnaires, tailored to the project's objectives
- Manage the work allocation between the team based on skills and expertise
- Lead empirical case studies to examine risks, challenges, and gender-based harms associated with AI in healthcare, with a focus on specific use cases such as clinical decision-support systems (CDSS) and clinical documentation tools.

- Co-develop a practitioner toolkit with actionable guidelines for the ethical and safe deployment of AI in healthcare.
- Identify and engage key stakeholders, including medical practitioners, hospital administrators, AI developers, and policymakers.
- Collaborate with CeRAI to amplify the toolkit's reach within India's healthcare ecosystem through targeted dissemination efforts
- Responsible for delivering key outputs based on project timelines

Skills:

- Expertise in creating research frameworks, methodologies, and analysing qualitative and quantitative data.
- Ability to allocate tasks, coordinate interdisciplinary teams, and meet deadlines.
- Experience collaborating with policymakers, healthcare professionals, and technology developers.
- Strong skills in writing, presenting research findings, and developing dissemination strategies.

The last date for submission of online application is 10.02.2025.

General Instructions to the candidates

- 1) All the positions are on purely contract basis.
- 2) The completion of the period of contract will not confer any right for further extension, regularization, permanency at the Institute.
- 3) Candidates should apply online only in the website <https://careers.icsr.in/about.php> - **(Please check the advertisement number Advt. 18/2025 displayed and submit the application for the relevant position).**
- 4) Separate application has to be filled for each post.
- 5) The system will accept single application only with the registered login ID (email) for an advertisement, hence the candidate is requested to select the multiple positions (In case, the candidate wishes to apply for more than one position) before the submission of application.
- 6) The application cannot be edited, reverted once it is submitted.
- 7) Candidates should not attempt to apply twice for the same post. If multiple applications are received from a candidate for the same post, the candidature will liable to be rejected.
- 8) Candidates should follow the prescribed procedure for submission of online application.
- 9) Candidates are advised to fill their correct and active e-mail addresses in the online application as all correspondence will be made by the Institute through e-mail only.
- 10) The candidates applying for any post should ensure that they fulfil all the eligibility conditions for the post. Their admission to any stage of the selection process will be purely provisional subject to confirmation that they satisfy the prescribed eligibility conditions. Mere issue of registration certificate / call letter to the candidate will not imply that the candidature has been found eligible.

- 11) After successful online submission of application, a print out of the application form must be obtained and submitted when called for test. It will be required at the time of document verification/test/interview. Hard copy of the application is NOT to be sent to the Institute.

- 14) Relevant experience gained after the minimum qualifying degree will only be taken into consideration. Minimum requirements of qualifications and/or experience can be relaxed in respect of exceptionally outstanding candidates.
- 15) The experience required is relaxable at the discretion of the Institute in the case of candidates belonging to the Scheduled Caste / Scheduled Tribe, if at any stage of selection, the competent authority is of the opinion that sufficient number of candidates from these communities possessing the requisite experience are not likely to be available to fill up the vacancy reserved for them.
- 16) The Institute reserves the right to restrict the number of candidates for written / skill test / interview to a reasonable limit on the basis of qualifications, level and relevance of experience higher than the minimum prescribed in the advertisement and other academic achievements. The Institute also reserves the right of rejecting any or all the applications without assigning any reasons therefore.
- 17) Calling a candidate for test/interview merely indicates that it is felt that the candidate with others may be suitable for the post and conveys no assurance whatsoever that they will be recommended or selected or their conditions specified in the application will be accepted.
- 18) Candidates will be short-listed for Test/Interview on the basis of the information provided by them in their online applications. They must ensure that such information is true. If at any subsequent stage or at the time of Test/Interview any information given by them or any claim made by them in their online applications is found to be false, their candidature will be liable to be rejected.
- 19) The Institute shall verify the antecedents or documents submitted by a candidate at any time at the time of appointment or during the tenure of the service. In case, it is detected that the documents submitted by the candidates are fake or the candidate has clandestine antecedents/background and has suppressed the said information, then their services shall be liable to be terminated.
- 20) In case of any inadvertent mistake in the process of selection which may be detected at any stage even after the issue of appointment letter, the Institute reserves the right to modify/ withdraw/ cancel any communication made to the candidates.

- 21) Applicants who are working in **any one of the Project at IIT Madras**, must apply through proper channel otherwise they will be required to produce No-Objection Certificate at the time of document verification/Test/Interview. Candidates without NOC will not be permitted to appear for Test/Interview.
- 22) Candidates may send testimonials from persons intimately acquainted with their work and character. If the applicant is in employment, the candidate should submit testimonials from the most recent employer or immediate superior as a referee.
- 23) The Institute has a right to decide the mode of screening and testing the applicant for short listing and selection.
- 24) The Institute solely reserves the right not to fill any advertised position without assigning any reason
- 25) Only shortlisted applicants will be contacted.
- 26) No correspondence whatsoever will be entertained from candidates regarding conduct and result of test/interview and reasons for not being called for interview. Canvassing in any form will be a disqualification.
